Comments: My name is Cante Heart and I reside in Rapid City, SD. I am Sicangu Lakota, a mother, and homeowner. I lived the majority of my life in Rapid City and will continue to raise my children here. My grandparents and ancestors have lived on these lands for thousands of years. The sacred Black Hills are the homelands of the Lakota people. I am extremely against the Pete Lien & Sons proposed Rochford Mineral Exploratory Drilling Project (RMEDP), a dangerous mining exploration plan that would desecrate Pe' Sla, a sacred site. This project is a danger to our resources, health, and land. On behalf of my children and future generations, please withdraw the RMED project immediately!
