

Data Submitted (UTC 11): 5/9/2025 12:25:34 PM

First name: Darla

Last name: Takes The Knife

Organization:

Title:

Comments: According to the law of the land, Treaties must be upheld. We, Lakota people do not want any mining in the Black Hills. Mining destroys our water flowing out of there. We Lakota do not give Pete and Lien Company the authority to mine in the Black Hills which belongs to the Oceti Sakowin and neighboring Tribes.
