First name: Lori

Last name: St Pierre

Organization:

Title:

Comments: I am enrolled in the Chippewa Cree Tribe, Rocky Boy Reservation in Montana. I am opposed to the drilling (of any kind) on sacred Native American land whether the land is on reservations or not. It is an act that cannot happen for sacred reasons and health reasons for all people in that area.

Future generations rely on this generation to make reasonable choices when it comes to what happens to our/their land/earth.
