Comments: I'm writing to express my disapproval of the proposed drilling project. One drill site is less than 200 hundred feet from our friends property!

They own the historic Stage stop property and Reynolds's ranch. I would hate to have drilling up there because it would ruin the beautiful Black Hills and who knows what it would do to the water!

We keep our horse up there and he drinks from the stream also do elk,deer and cows too!

I surely hope you consider what you are proposing 18 holes are a lot, and not to mention I'm sure you won't stop there!
