Comments: To whom it may concern:

Our organization, the Indigenous Solidarity Network is opposed to the Lien & Sons proposed drilling project at Pe' Sla. We have three demands:

- ~ The company should withdraw the project immediately and apologize to the many tribes who hold that area sacred.
- ~ A 60-day extension of the public comment period.
- ~ Conduct a full Environmental Impact Statement (EIS).

This is a blatant attack on Indigenous culture, sovereignty, and religious freedom. It is shameful and wrong to consider violating such a holy place, and by doing so you are choosing to be an enemy of Indigenous rights.

Withdraw the Pe' Sla project now.

Sincerely,

~Indigenous Solidarity Network
