Comments: I am a citizen of Portland Oregon. I spend all my free time enjoying the beauty and diversity of the natural world Oregon has to offer. I pay taxes, vote, and participate in civic engagement. I am engaging today to OPPOSE the USFS lease parcel OROR 070802, because of critical habitat for spotted owl, the high percentage of older forest, and threats to salmon (coho and Chinook) populations. Please consider alternative locations and alternative projects to decrease our dependency on fossil fuels.
