First name: Beau

Last name: Kingfisher

Organization:

Title:

Comments: My name is Beau Kingfisher (member of the Cheyenne River Sioux Tribe, descendant of United Keetoowah Band of Cherokee Indians) and I am a life long resident of South Dakota. My family and I have cultural ties to the Black Hills and often travel there to enjoy nature. I oppose the The Rochford Mineral Exploratory Drilling Project and request an environmental impact study to show the dangers in this type of drilling.
