Comments: re Rochford Mineral Exploratory Drilling Project YOUR DECISIONS MATTER for setting a new paradigm. Humans should be SMART enough to figure out how to live elegant healthy lives on our necessary and beautiful Earth without so much "collateral damage " !!!

NO MORE BOUGHT CODDLING of outdated invasive destructive unnecessary exploitative PETRO BIG Ag /Chem Mining Lumber etc What kind of degraded planet do you wish to leave for your family and descendants by aiding take the money and run profiteers while locals are left with pollution and destruction?
