Comments: HONESTLY, SINCERELY, & ABSOLUTELY REALISTICALLY ~ ~ FOR THE SAKE OF LIFE
TO BE ABLE TO CONTINUE ON EARTH ~ ~ ~ PLEASE STOP CUTTING THE F---ING TREES !!!!

Forgive me ~ The trees don't deserve to be cursed !

But humanity definitely is cursed by such greed driven, destructive actions !

I'm writing from Massachusetts, because (both positive and NEGATIVE) environmental consequences HAVE NO
BORDERS !!!

God help us all.
