Comments: I am concerned about this project in the Black Hills

(Rochford Mineral Exploratory Drilling Project #67838)

I am requesting for a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment

I oppose the Rochford Mineral Exploratory Drilling Project because of the potential negative environmental impacts and the disruption of traditional ceremonial practices for Lakotas Natives people.

The Forest Service MUST require an Environmental Impact Statement (EIS) for this project!!!
