Comments: To Whom It May Concern;

I feel strongly we should protect "Sacred Places. People should be able to worship and practice their Religion as they beleve and see fit. The government and private business should know we "stole" this land. We bullied the Indians. I feel we owe reparation at least. If its owned by the government it should be returned to them for obvious reasons. If its in private hands.. ask to buy it back. Crowd fund. Thank you for your time.
