Last name: Mattimore

Organization:

Title:

Comments: I am opposed to this project. We need to protect our land in this country. I live in Oklahoma and have seen the effect of mining in the town of Pitcher with literal mountains of lead poisoned chat piled up. People's bodies ruined. Children's intelligence ruined forever. We need to stop this type of destructive unsustainable ble exploratory and other drilling projects. Save our virginity lands. Teddy Roosevelt would roll in his grave.
