Comments: Stop this project Rochford Mineral Exploratory Drilling Project #67838. There should be at least a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment.

This land is sacred and I oppose the Rochford Mineral Exploratory Drilling Project. Additionally, there are huge potentially negative environmental impacts. Not to mention the disruption of traditional ceremonial practices for Lakotas

You need to perform an Environmental Impact Statement (EIS) for this project
