Comments: I am writing in regards to the Rochford Mineral Exploratory Drilling Project #67838.

I'm requesting a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment.

I oppose the Rochford Mineral Exploratory Drilling Project due to the potential negative environmental impacts and the disruption of traditional ceremonial practices for Lakotas.

It is imperative that the Forest Service require an Environmental Impact Statement (EIS) for this project.

Thank you.
