Comments: I am opposed to the Rochford Mineral Exploratory Drilling Project #67838. I would like to request a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment.

I oppose the Rochford Mineral Exploratory Drilling Project because of the likely negative environmental impacts and the disruption of traditional ceremonial practices for Lakotas.

At the very least, please require an Environmental Impact Statement (EIS) for this project.

Water is too necessary and the sacred sites are sacred, smashing around in the land will do more harm than just pulling money from the ground.
