Comments: Regarding the Rochford Mineral Exploratory Drilling Project #67838)- our communities demand a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment.

The obvious and clear reasons why our families, communities and I FULLY OPPOSE the Rochford Mineral Exploratory Drilling Project are the (1) potential negative environmental impacts and (2) the disruption of traditional ceremonial practices for Lakotas.

YOU MUST require an Environmental Impact Statement (EIS) for this project.
