Comments: I am writing to express my objection to the Rochford Mineral Exploratory Drilling Project #67838 and to request a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment

I oppose the Rochford Mineral Exploratory Drilling Project because there are potential negative environmental impacts and because it would involve the disruption of traditional ceremonial practices for the Lakota People. The Forest Service must require an Environmental Impact Statement (EIS) for this project.
