Comments: My name is Patrick Vogelsong, I live in -PII-. I am writing to express my opposition to the Rochford Mineral Exploratory Drilling Project #67838 due to the potential negative environmental impacts, such as surface/ground water contamination and the disruption of traditional ceremonial practices for Lakotas. I request a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment and that the Forest Service require an independent Environmental Impact Statement (EIS) for this project. Thank you for your time and consideration of this important matter.

Sincerely,

Patrick Vogelsong
