First name: Jim

Last name: Etzel

Organization:

Title:

Comments: The Earth, or it's inhabitants don't need another mine to pollute the water, air, and soil. The indigenous tribes of this land are protesting this and you should listen to them. Before white people came to this land, the tribes of this area were one with the land. Leave it be and let the land heal from the destruction that has been or will be caused by more destruction.
