Comments: I care about this project and the Black Hills because this is sacred native land.

The name of the project (Rochford Mineral Exploratory Drilling Project #67838)

I request a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment

I oppose the Rochford Mineral Exploratory Drilling Project because of the potential negative environmental impacts and the disruption of traditional ceremonial practices for Lakotas

The Forest Service needs to require an Environmental Impact Statement (EIS) for this project
