Comments: I am writing regarding the Rochford Mineral Exploratory Drilling Project #67838.

I would like to add my support for a 60-day extension of the "scoping" public comment period, so that everyone has an opportunity to comment.

I personally oppose the Rochford Mineral Exploratory Drilling Project, because of the potential negative environmental impacts, as well as the disruption of traditional ceremonial practices for the Lakotas.

I also hope that you will require an Environmental Impact Statement (EIS) for this project.

Many thanks,
