Comments: Re: the Rochford Mineral Exploratory Drilling Project #67838

Please consider a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment.

I oppose the Rochford Mineral Exploratory Drilling Project due to the potential negative environmental impacts and the disruption of traditional ceremonial practices for Lakota People. I believe it is important to protect sacred territory used by Lakota People for ceremonial practices.

Please require an Environmental Impact Statement (EIS) for this project.

Thank you for considering this view.
