Comments: My name is Klaus-Dieter Krause from Kelkheim, Germany.

I care about the Rochford Mineral Exploratory Drilling Project #67838 in the Black Hills and request for a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment on it.

I think the potential of negative environmental impacts are very high and the disruptions of the traditional ceremonial practices for Lakotas should not be accepted.

Furthermore the Forest Service should require an Environmental Impact Statement (EIS) for this project.
