Last name: Kerr
Organization:
Title:
Comments: I strongly support the comments provided by the organization, Save Holland Lake. Over the last 50 years, I have hiked out of Holland Lake and have attended weddings and other events at Holland Lake Lodge. Most Montanans I know want to keep the lodge capacity as is and NOT a recreational destination. Important wildlife values and security need to be protected at Holland Lake. Respect the values of generations of Montanans.
