Comments: Hello I'm writing today concerning the Rochford Mineral Exploratory Drilling Project #67838.

Please protect this sacred land that the Lakota people have been using for traditional ceremonial practices for thousands of years.

I'm writing because I'm concerned about the negative environmental impacts of drilling. Especially to the water and underground water sources.

I'm requesting that you do an environmental impact Statement (EIS) to see what the negative impacts could be.

Also please extend the comment period for another 60 days.

Thank you

Sincerely

Greg Colucci
