Comments: Hello, my name is Elyse and I oppose the Rochford Mineral Exploratory Drilling Project #67838.

This project has high potential for negative environmental impacts, in addition to disrupting the traditional sacred practices of the Lakota Nation.

I request for a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment, and an Environmental Impact Statement (EIS) for this project.

Thankyou for taking my perspective into consideration.
