First name: Sierra

Last name: Benalc&#225;zar

Organization:

Title:

Comments: Along with my brethren the Lakota children at Oceti Sakowin Community Academy who offer hand-written letters to the Forest Service in opposition to Pete Lien & Sons drilling the sacred site Pe'sla, I also oppose drilling the sacred site Pe'sla.

It is time to invest and encourage all energy based companies to pivot to clean energy production. Harvest reusable energy sources. Stop drilling! And definitely do not drill on sacred land.
