

Data Submitted (UTC 11): 5/16/2025 12:36:00 AM

First name: Sweetgrass

Last name: American Horse

Organization:

Title:

Comments: The land is sacred. It's how we survive. We need the trees for oxygen. It purifies the air. The older the tree is the better the oxygen. You hurt us and yourselves by hurting the land. Please protect it. Protect us and yourselves.
