First name: Michelle

Last name: Jankowski

Organization:

Title:

Comments: As a Polish person, I can relate to the loss of land and heritage, even if only a bit. As a second gen immigrant, I can relate to discrimination, even if only partly. So I stand with the Indigenous peoples.

Do not mine at Pe' Sla. Stop stealing land and destroying it out of pure greed. Rather conserve, restore and protect Indigenous land.

Make America Native Again.
