Comments: Pe' Sla is a sacred site or homeland to which Lakota people return ceremonially multiple times throughout the year.

Hi, I am Julio, I live in -PII-.

I care about this project and the Black Hills because I care for creation and indigenous rights.

I want to request a 60-day extension of the "scoping" public comment period, so everyone has an opportunity to comment on Rochford Mineral Exploratory Drilling Project.

I'm opposed to the Rochford Mineral Exploratory Drilling Project because it would disfigure Pe' Sla and harm the Lakota People.

I want the Forest Service to do an Environmental Impact Statement (EIS) for this project
