First name: Jordan

Last name: Parker

Organization:

Title:

Comments: Do not go forward with this project. To drill on this land is to continue the disgraceful treatment of native peoples and the lands and traditions they hold sacred. The history of this nation is forever stained by the memory of such actions and to go forward with this project is to repeat the mistakes of the past. We must be better if this country is to ever be better. With all respect, good conscience must prevail and this project must be denied.
