Comments: Its our duty as Indigenous Nations to protect our sacred areas. No exploration or mining in our sacred Black Hills! Contamination of our land and water in not ok! desecrating our sacred areas and hurting our future ceremonies is not ok!! We will stand with the nations of animals, birds, insects and fish who have no voice!! NO to exploratory drilling or mining in our sacred land!
plus there is still waste left in our hills from previous mining that has left contaminated waters and drill holes! NO MINING or related activists
