Comments: Pete lien and sons are a huge company in my hometown of the black hills. The hills are known for their natural beauty and no company should I finger on the natural beauty of this land. The black hills are know for this beauty and quite literally fund the lives of the people and businesses of the surrounding city. No matter how small or hidden the project this will damage the lives of the people whole live in this area. The animals and plant like are not to be forgotten in a project like this. It may seem harmless, but this project will introduce devastation. THE PEOPLE OF THE BLACK HILLS DO NOT WANT THIS. THE PEOPLE OF THE HILLS DO NOT CARE FOR THE POTENTIAL MONEY THIS MINING WILL MAKE. Protect this rich and historical land.
