First name: Tracey L

Last name: Wilkie

Organization:

Title:

Comments: Please stop the destruction in Pe'Sla. Mining at Pe'sla could contaminate drinking water for Rapid City, Rapid Valley, Box Elder, and even Ellsworth Air Force Base, and cause irreparable ecological damage. It's imperative that everyone rally to protect this sacred land for ourselves, our future generations, and our shared planet.

It was great to see the news last evening with all relatives coming together to rally. There are more of us coming to protect our Mother Earth.
