First name: Tonia

Last name: Stands

Organization:

Title:

Comments: Please don't allow this Graphite project to be permitted. Protect Pesla!!Ancient Sacred Site L/D/N Mecca. Drilling will harm and expose Ceremonial Practioners. Lots of Tribes return every year if not multiple times a year. Our Camps will be disturbed. Drilling will kill sacred plants and chase off wildlife that are apart of our Ceremonial practices.

We don't destroy your churches or place of religious practices. Leave ours alone, respectfully.
