Comments: Based on the DEIS report, expanding the resort beyond its current boundary would be tragic for wildlife, the environment, and our community. I support Alternative 3, keeping Targhee inbounds, without the restaurant on Fred's Mountain. The mountain-top restaurant would be an eyesore. Resort boundary expansions in Alternatives 2, 4, and 5 all violate conservation priorities in the Greater Yellowstone Ecosystem. I live on Fox Creek in Teton Valley.. I have a family and regularly access the wilderness adjacent to Grand Targhee Resort. Privatizing that land at the expense of wildlife would be a loss for me and others in my community. Please keep Targhee inbounds."
