Comments: Based on the DEIS report, expanding the resort beyond its current boundary would have detrimental effects on the wildlife, the environment, and our community. I support Alternative 3. Leave Targhee inbounds, without the restaurant on Fred's Mountain. The mountain-top restaurant would be visible on the mountain line. The boundaries of the resort being expanded in Alternatives 2, 4, and 5 all violate conservation efforts and priorities in the Greater Yellowstone Ecosystem. Vote Alternative 3.
