Comments: To whom it may concern,

I am strongly opposed to any expansion of Grand Targhee out of their current boundaries. There are many reasons for this. Expansion into Millcreek and/or Teton Canyon would have terrible impacts on wildlife and the wilderness value of these areas. We cannot afford to lose wildlife or wilderness. Additionally, how can Teton Valley, Idaho handle this influx of visitors? Where are workers going to live? How can they afford to live in Teton Valley? There is already a housing shortage and people with regular jobs are being priced out of the valley. Please....NO EXPANSION of Grand Targhee outside of their current boundaries.
