Title:

Comments: I have lived in Driggs for 15 years. My 11-year-old daughter was born here, and her father served 30 years as a volunteer Ski Patroller at Grand Targhee Resort. I live on Ski Hill Road. I use the road, trails, and backcountry terrain to recreate and explore with friends and family. All year long, I access Teton Canyon Road and trails for classic skiing, ski touring, running, biking, and camping.

Please choose Alternative 1, no change.

Grand Targhee has failed to show a meaningful need for these expansions, and the DEIS indicates clearly that the harm of the other alternatives is untenable to the community and wildlife.

Please do not approve these outlandish expansion plans.
