Comments: I am strongly opposed to the expansion of Grand Targhee Ski Resort. The impact on wildlife habitat will be devastating. Teton County Wyoming will not be affected by any of the adverse effects of this proposed expansion. Teton County WY will only benefit monetarily. Teton County Idaho is already under assault from development that destroys wildlife habitat. Teton County Idaho is under assault by development that is overloading our infrastructure. This expansion will overload even more the pressures on Teton County Idaho infrastructure, roads, schools, housing, sewer, will all be adversely affected by this expansion. The only reason to expand Grand Targhee is greed, that's as simple as it gets. Teton County Idaho DOES NOT WANT THIS EXPANSION.
