Comments: Based on the DEIS report, expanding the resort beyond its current boundary would be tragic for wildlife, the environment, and our community. I support Alternative 3, keeping Targhee inbounds, without the restaurant on Fred's Mountain. The mountain-top restaurant would be an eyesore. Resort boundary expansions in Alternatives 2, 4, and 5 all violate conservation priorities in the Greater Yellowstone Ecosystem. Keep development within the resort boundaries. Expanding would ruin the intimate culture of Targhee. Jackson is close if you want that vibe
