Title:

Comments: 1. allow skiable terrain to remain the same..plus lifts off the south side of peaked that return skiers to peaked not teton canyon.

2. increase parking. eliminate paid parking. all parking FREE.

3. not allow ANY white bark pines to be destroyed/cut..Pinus albicaulis

4. train bus drivers !! reduce bus frequency by half during summer from teton valley. the way it is now are empty busses a huge pollutant to our environment esp during the summer. more leg room in busses !! there made for children.

5. train employees to be more friendly and accomodating--they are ambassadors

6. pick up all targhee US mail and packages in driggs so drivers dont have to drive up to targhee to deliver..have mail/packages delivered by targhee shuttle..the way it is now is a huge pollutant to the environment

7.
