Comments: I have lived in the area for more than 27 years and Mount Timpanogos is my favorite climb! When I take the Aspen Grove Trail, I often stop at the shelter by the lake. Now, as a member of TERT, we have used the shelter to treat patients. It would be of vital importance to reconstruct the shelter, and even better, as it was, in its original form! Please please please It would be of vital importance to reconstruct the shelter, and even better, as it was, and its original form! Please please please rebuild! Many people use it to take shelter in storms or to take a break or to get out of the sun.

Thank you!
