Title:

Comments: Please respect and uphold treaties with indigenous people. Please respect and uphold the safety and quality of the planet, especially protecting the diversity of wildlife and keeping their homes protected to better our relationship with our environment. Please do not drill or mine any more precious metals on any sacred site, protected area, or homes to diversity in environment to better our lives. I ask that you do not consider this mining project and protect this area and the wildlife and people who rely on it.
