Title:

Comments: Hello

The fact that there is contention around this plan is absurd. You want to REBUILD?? a metal quonset hut in the wilderness? You want to access this almost inaccessible area with CONSTRUCTION equipment and hordes of workers to save a metal monstrosity that is basically junk in the woods???

Surely, you all have better things to do with your time and OUR money.

Please, abandon this ridiculous project and just let the metal monstrosity rust into the ground.

Linda, a taxpayer, rural resident, and wilderness lover
