Comments: As the Forest Service's first responsibility is to protect the Mount Timpanogos Wilderness, then it's obvious that agency's own wilderness policy is that a structure is not needed for visitor use.

The Forest Service should adopt an alternative that lets the Mount Timpanogos Wilderness be wild. The claim that it can't be dismantled (or even repaired) using traditional means is false, as the Forest Service built the hut without motorized equipment.

The "no action" alternative is the only real option.
