Comments: I would just like to submit my strong opposition to this rebuild project. It doesn't make sense to spend all the time, money and effort to rebuild a manmade structure in order to achieve some arbitrary goal of 'restoring wilderness'. The damage caused by whatever means used to rebuild will obviously be greater than any benefit reaped from the hut being replaced. It's just another money wasting bad idea here guys, c'mon now. Do the right thing and let it be.
