Comments: Emerald Lake Shelter Reconstruction Project

THIS HUT SHOULD BE ALLOWED TO DISINTEGRATE NATURALLY, AS THINGS IN THE WILD DO. IT DOES NOT NEED TO BE REBUILT, AS YOU HAVE NO PLANS TO REBUILD IT WITH ANY SORT OF ATTENTION TO ITS ORIGINAL STRUCTURE, OR USING NATIVE BUILDING TECHNIQUES. EVERYTHING YOU ARE PLANNING IS AN ABSOLUTE ABOMINATION TO THE VERY IDEA OF WILDERNESS. STEP BACK, LET IT GO, AND BE GRATEFUL THAT WILD CAN PREVAIL.
