First name: Perry

Last name: Jewett

Organization: Ridge Rider Racing

Title: Founder

Comments: Please Do Not Allow mining or test hole plots in Spearfish Canyon Watershed. It will affect our recreation opportunities. Many of the test hole proposals are on or near our USFS Permitted Dakota Five-O trail otherwise known as the USFS system trail #55 Tinton Trail. It is the biggest one day recreation event on Black Hills National Forest. Many trail users seek out this trail year around and it was be impacted visually and esthetically.

I am

Also concerned with compromised water sources and ground  
Water Contamination.
