First name: Zoe

Last name: Hayford

Organization:

Title:

Comments: My name is Zoë Hayford, and I have lived in the Black Hills for my whole life. That is why I am opposed to the proposed Ponderosa Exploration Project. We must protect our beautiful, priceless Black Hills.

I ask that the Forest Service complete an Environmental Impact Statement for this project, and extend the comment period for 60 days.

Thank you for protecting the land we love.
